

## Registering for EBSCOhost

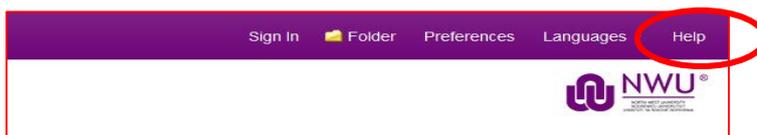

1. From the Library webpage: <http://library.nwu.ac.za/>
2. Select Databases

### 3. E ... EBSCOhost

#### 4. The following registering procedure as provided by EBSCO under their *Help* function

Whenever you sign in to any of these interfaces, you will be able to save search results, persistent links to searches, search alerts, journal alerts, and web pages to your personal My EBSCOhost folder.

### To set up a personal account:

1. Click the **Sign In** in the top toolbar of the screen.

2. From the Sign In Screen, click the **Create one now** link.

**EBSCOhost**

**Sign In**

Username/Email

Don't have an account? [Create one now](#)

- 3.

4. The **Create Account Screen** appears. Fill in the fields on the Create Account Screen.

When you create a new My EBSCO*host* folder account, or are updating the existing password for your account, you are required to create a strong password.

When your password meets the requirements, the indicator displays that your password is strong and you can retype the password in the next field to confirm it.
